## Flipper

Desks and meeting tables for modern office spaces, designed meet the requirements of a dynamic environment.

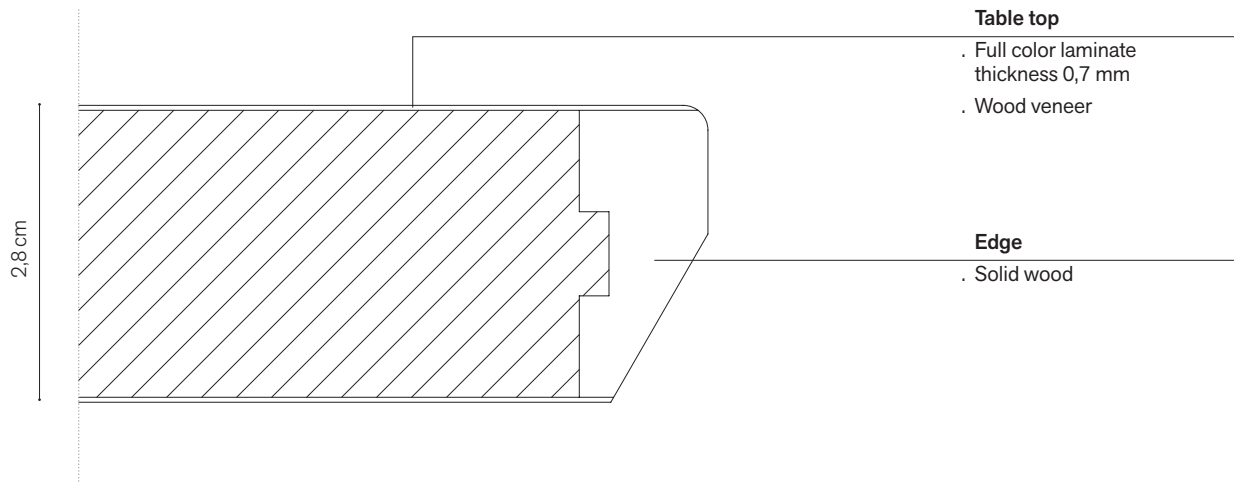

The table is available in various sizes and several formats, permitting numerous compositional possibilities. Table top with solid wood edges and finish in laminate or natural wood.

Legs with drop-shaped section in extruded aluminum with a polished or natural finish, or faced with natural-finish wood.

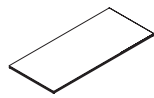

The characteristics of the materials and the special system used for assembling the structural elements ensure high performance in terms of lightness, stability, solidity and safety.
