Release Date
2023

An evolution of Flipper, Flipper Bench reinterprets the refined modular work surfaces of the furniture series with the introduction of perpendicular table edges. Solid but sleek, the Flipper Bench modular benching system stands out for its minimalist forms.

The desks are made in various sizes, with tops in natural wood, laminate, or melamine. The legs, teardrop-shaped in section, are available in both fixed and height-adjustable versions.

When the desks are configured as facing workstations, it is possible to add: central legs that double as cable risers; cable management baskets; and divider panels, the upper edge of which is designed for hanging accessory equipment.

Flipper Bench also includes a series of meeting tables in various sizes and shapes, with wood or laminate finishes.

Suitable for open-space areas, meeting rooms and lounges, Flipper Bench allows you to create as many different office landscapes as there are new ways to work.

TABLETOP EDGE DETAIL

Table top

- Laminate, thickness 0,7 mm
- Wood veneer

Edge

- ABS
- Wood, thickness 2 mm

R 1,3 cm

Table top

- 4 rounded edges radius 13 mm
